Vocational Counseling

Created opportunities for students to have practical experiences by partnering with ‘Hire Tulane’ & creating an assignment where students worked on Tulane campus with undergraduate students seeking career development through resume instruction and advice . Tulane offered special training to our students for free in exchange for their services at the “Resume Doctor” day at Tulane.

Summer 2005

Child Counseling: Play Therapy

Had Play Therapy added to the title of the course to facilitate post masters certification for students interested in play therapy. Create a micro-practicum experience where students practice their skills while being videotaped and observed by other students in the course. Recruited children from the Whelan Center (with parental permission) to participate as volunteers and facilitate the development of counseling students interested in working with children.
