*Each course is 3-credit hours. Each practicum credit hour is worth 60 hours of practice.

** Graduate level statistics course is a prerequisite for N920 Biostatistics and must be taken if no other graduate level statistics course has been taken previously.

*** Students accepting NFLP monies are required to take two education courses. These courses will be offered every Fall and Spring Semester in sequence.

****If Scholarly Project is not successfully completed during the final Spring, it will be repeated each semester (excluding Summer) until requirements are successfully completed.

*****Depending on transcript analysis, students may need to take N965 and/or N967 Directed Leadership Practicum to fulfill total practicum hours.
