Stay Safe At College
Stay Safe At College

You must sign your Student Policies, Responsibilities and Expectations Agreement' every semester (after your first) before you can register for classes.

This is the LORA homepage. The tabs at the top expand into drop downs. All of the various options are written out in the site map of the main page.

Use this page to keep your contact information up to date under Personal Info. You may check your grades under Student Records.

You may register for courses and review your current student schedule to see the courses for which you are registered. (See more information on registration below) *see highlight above*

You may review your tuition billing statement and financial aid information.

Select Course Sections.

Select Nursing from the menu.

You may click on a call number to register for the course. Alternatively, you may record the call number, then select "Drop and Add Classes," and enter the call numbers of the courses for which you would like to register. You will have to register via "Drop and Add Classes" if the course has any co-requisites as they must be added at the same time. If you ever encounter difficulties with registration, you may email **nursing@loyno.edu** with a request including your student ID number and the courses for which you would like to be registered. Any instructor preferences should be noted by either including the call number or instructor name in your request. The School of Nursing will not be able to assist you in registering for a course which is closed. The School of Nursing will register you for any practicum courses automatically if you have completed all pre-practicum requirements and paperwork.
