

## Nursing State Authorizations

Loyola University New Orleans, School of Nursing is a member of NC-SARA.

Due to individual state Board of Nursing regulations, Loyola University New Orleans is **NOT** currently permitted to provide online courses or instruction to students in the states listed below:

- New York
- Washington - MSN-HSAL only
- FNPs may not perform clinicals in:
  - California - in the process of applying for approval
  - New York
  - North Dakota
  - South Dakota
  - Washington - MSN-HSAL only
  - OCONUS (Excluding Alaska) - contact the School of Nursing for more information

**The following states require additional steps in the practicum process:**

- Utah (FNP only) – Submit clinical faculty qualifications, preceptor qualifications, supervision plan, and affiliation agreements.
- Oregon (FNP only) – Submit Petition for out of state nursing placement 30 days prior to clinical experience.
- New Hampshire – Send intent to provide clinical experience prior to beginning clinical.
- Montana – Clinical placement requires board approval. Submit in writing, information documenting approval and accreditation, student info, facility info, preceptor info, faculty info, detailed description of preceptorship, faculty-preceptor supervision plan, a copy of the preceptor agreement, the affiliation agreement, and verification from the relevant directors of MO programs that in-state student is not displaced.
- Illinois – Clinical placement requires submission of evidence of approval/accreditation in home state, letter of request indicating time frame, clinical agency, clinical unit to be utilized, and copy of executed agreement. Include faculty qualifications and/or preceptor forms for instruction providers.
- Delaware – Use of clinical facilities requires written notification to the Board of Nursing. Submit proof of approval and/or accreditation in home state, copies of agreements with facilities, program requirements for clinical faculty and preceptors, list of names and assigned sites for clinical faculty and preceptors, and copies of current Delaware licensure (or eNLC) for clinical faculty and preceptors.
- Alabama – Send letter of intent to Board of Nursing 30 days prior to any clinical experience. Include name of institution, program, state approval, accreditation info, student name, student license #, preceptor name, faculty of record, facility name, facility location, statement from facility CNO addressing availability of clinical experience for in-state and out-of-state students, and expected learning outcomes of the student.
