The Clifton StrengthsFinder assessment is a tool used across multiple disciplines to understand the areas of strength one works from both personally and professionally.

Leaders and aspiring leaders in Catholic education and formation who attend this year's Institute will take the Clifton StrengthsFinder assessment, develop their own strengths and draw out the strengths in others with a focus on communication. As a result, they will be more effective leaders in Catholic education and formation.

Cost: \$150

Covers Clifton StrengthsFinder assessment, meals at Loyola, and a closing lunch at Ralph's on the Park.

We are pleased to announce that Bishop Fernand Cheri, Auxiliary Bishop of New Orleans, will preside at Mass Wednesday morning.
