

# Summer Nurse Tech Program

## Nursing Student Education and Employment

### Program Description

Accepting nursing students enrolled in their Junior or Senior year of nursing school to experience the Ochsner culture and work with a bedside RN preceptor.

The goal is to shadow the RN and participate in the nursing process while learning the Ochsner mission, vision and values.

This experience starts May 22 and will complete at the end of July 21.

### Eligibility Criteria

RN students who have completed one semester of clinical rotations

Must be able to work full-time from May 22 until July 21, 2023

### How to Apply

Applications will be accepted:  
December 2022 - April 2023

Apply on our website:

### Testimonial

“I became an Ochsner summer nurse tech during my senior year of nursing school. The hands-on learning that I gained while shadowing an experienced nurse on their rounds made me a more confident nurse after I graduated and started my career. It prepared me to kickstart my career upon graduation.”
