

Where to Find Active Affiliation Agreements

The full list of active sites and their requirements can now be found in Meditrek, our practicum application system. You will need a Meditrek account to see this list, which will be provided to you roughly one semester prior to starting your practicum experience. You will receive login credentials via your Loyola email address.

If you are not currently at this stage of your program, please see page 4.

Step One:

Start an application in Meditrek.
