After having worked in the field, is there anything that the program did not teach you that would have helpful to know?				
			Alumnae 1: Trauma related topics, legal issues surrounding custody paperwork, undocumented individuals, and trafficking survivors.	
			Alumnae 2: Yes, how to manage relationships with supervisors who are not right for you as a supervisor but are required to be your supervisor	
No Response		0%		
Please take the time to comment about the program in general below:				
			Alumnae 2: Overall, my time at Loyola was full of growth and learning. I will always appreciate my professors for supporting our development as new counselors. While I understand why it is necessary to wait until the end of Fundamentals to have the whole cohort meeting about licensing, the exam, supervision, and all associated costs, I do wish that the financial piece had been somehow shared earlier. Many of us in my cohort did feel a bit shocked at the pay walls stood between us and licensure.
