3) This map displays the same geographic range as the previous image; however, because the settings have been removed, a significantly larger number of results are displayed for review.

- 4) You can also move the map and zoom in or out to adjust the search area, allowing you to include or exclude geographic regions based on your preferences.

5) When you find a listing that interests you, click on the name to view a pop-up window with basic contact information. We are continually working to expand the information available to students for each location.

The screenshot displays the 'Explore Clinical Locations' web application. On the left, a sidebar lists 178 locations. The 'Atchafalaya Gynecology & Obstetrics' location is circled in orange. The main area shows a map of Louisiana with various locations marked by blue pins. On the right, a 'Details' pop-up window is open, displaying the following information:

Basic Information

- Location Name: Atchafalaya Gynecology & Obstetrics
- Location Address: 1216 Victor II Blvd. Morgan City, LA 70380
- Phone: 985-702-2229
- Rural Location: No
- Underserved Population: No

Locations Details
