

Responding to the Goodness of Creation

FaithActs
Youth
Theology
Institute
Summer 2021

WHAT

FaithActs is a fun and inspiring way for rising high school juniors and seniors to receive hands on experience connecting environmental justice, faith, and science--holding a vision of God's presence in all creation.

Participants discern how to be leaders of change for justice.

WHY

Youth today are called to see creation as a dynamic process and themselves as co-creators in their care for our common home. They are offered the inspiration of Pope Francis to see clearly, choose well, and act in solidarity with all of creation.

BENEFITS
