

Doctor of Nursing Practice Program Verification of MSN Specialty Hours

Students who have completed their MSN degree or Post-Graduate Certificate and will complete the DNP at Loyola University New Orleans are required to submit this Verification of Specialty Hours form in order for the DNP Program Director to determine if additional clinical hours are needed for the DNP program.

The total number of clinical hours between the MSN degree and DNP degree must be at least 1000 hours to meet the accrediting requirement from the Commission on Collegiate Nursing Education (CCNE).

Please enter your name, University, and specialty area; then submit this form to the Dean or Graduate Program Director from the university where you completed your MSN or Post-Graduate certificate program. Have them complete the information below and email the completed and signed form to nursing@loyno.edu.

Student Name: _____

University/College Name: _____

Specialty Area: _____

Number of Clinical Hours in MSN Program: _____

Printed Name of Dean or Graduate Program Director

Signature of Dean or Graduate Program Director
