The Loyola Institute for Ministry invites you to consider or to encourage others you know to consider studying with us toward a master's degree, bachelor's degree, or CEU certificate.

Located in a university setting, our programs are Catholic, practical, transformative, and affordable. Take courses in spirituality, youth and young adult ministry, religious education, digital culture and ministry, religion and ecology, pastoral care, and more.

Our classes are steeped in Ignatian spirituality and inspired by, as Pope Francis says, the "freshness and fragrance" of the Catholic biblical and theological tradition.

Meet faculty, staff, and students, and get your questions answered. Light refreshments will be served.

Free parking will be available in the West Road Garage.
