

Nursing State Authorizations

Loyola University New Orleans, School of Nursing is a member of NC-SARA.

Due to New York State Board of Nursing regulations, Advanced Practice Registered Nursing (APRN) students may take online courses, but may not complete clinical practicum experiences in New York state. Students may complete clinical in a neighboring state.

The following states require additional steps in the practicum process, so please allow 3 months before beginning practicum courses in these states:

- Alabama
- Delaware
- Illinois
- Montana
- New Hampshire
- Oregon
- Washington state
