X. Comments:					
1. In which areas could the supervisee(s) have been more adequately prepared?					
	Advocacy - for self and others; Treatment planning; I think Loyola does a great job preparing students; Possibly being aware of the difference in motivation when it comes to self referred v. court ordered clients; Deeper group content, processing.; Substance Abuse Counseling, and Group Dynamics; More preparation in working within an agency setting.				
2. What are the areas where the supervisee(s) were exceptionally prepared?					

	Counseling process- play therapy; Conceptualizing Cases; Acted professionally, managed time well, and demonstrated flexibility in difficult situations; Social justice issues, current theories and practices, very professional, play therapy in most cases; Knowledge and education; Individual sessions; Theory, Counseling for Social Justice			
3. Can we include your responses on our website?				
	Yes	100%		
	No	0%		
	Not Answered	0%
