

Creation Across the Curriculum: A Workshop for Catholic High School Teachers

"...all you have created rightly gives you praise." Eucharistic Prayer III

Collaborate with interdisciplinary teams of high school teachers from Catholic schools on infusing the fundamental Catholic commitment to creation across your school's curriculum.

June 7-9, 2026 at Loyola.

"Creation Across the Curriculum" will:

- Ground teachers across the curriculum in the fundamental Catholic commitment to creation.
- Help generate new ideas for the classroom in every subject.
- Enable schools to align themselves even more closely with Catholic biblical, theological, and faith traditions.
- Help bring faith alive beyond Church walls and religion classes.
- Be a source of hope and inspiration!

Participating teachers will receive:

- \$250 stipend when they submit implementation plans in August 2026
- \$250 stipend after meeting by Zoom with fellow participants in October 2026 to share initial fruits of plan implementation
- an opportunity to apply for a service-learning grant related to creation (for teachers in Louisiana and Mississippi)

Details

- All expenses (including room, board, and dinner at Antoine's) covered from lunch on June 7 to lunch on June 9.
- Includes books, presentations by subject experts, collaboration across disciplines and schools, experiences in nature, prayer, and Mass.
- \$30 registration fee per person. Space is limited.
- More information and registration:

Creation is foundational for our Catholic Faith

"The Incarnation of God the Son signifies the taking up into unity with God ... everything that is 'flesh': the whole of humanity, the entire visible and material world." Pope Saint John Paul II

The "universe reflects the face of Jesus Christ." Pope Leo XIV
